EXPERIENCE

Intern, Ewnet Communication Plc

Addis Ababa, Ethiopia |July 2024 - September 2024

- Gained hands-on experience in web development, API integration, and database management.
- Assisted in project documentation and organization to enhance team productivity.
- Collaborated in the development of the **Maid Finder Website**, a platform connecting customers with domestic help services.

PROJECTS

Muyategna Freelancing Website

Developed a web platform that connects customers with professionals and handymen, enabling job posting, professional applications, and a subscription-based payment model.

- Built using **Nuxt 3, Tailwind CSS, and Vue.js,** with interactive dashboards for customers, professionals, and admins.
- Implemented **job filtration, user profile management, and localized content in English and Amharic.**
- Designed a seamless user experience, enhancing accessibility and usability.

Maid Finder Website

Develop a platform designed to connect customers with domestic help services, allowing users to find and hire maids, cleaners, and other household service providers easily.

- Built using Nuxt 3, Tailwind CSS, and Vue.js, ensuring a responsive and user-friendly interface.
- Implemented search and filter functionalities for efficient service discovery.

Portfolio Website

- Created a personal portfolio website to showcase projects, skills, and experiences with a modern and interactive design.
- Developed using React, TypeScript, Tailwind CSS, and Vite for fast performance and seamless user experience.
